Optimum Dental Wellness Plan

Terms and Conditions

The Optimum Dental Wellness Plan is not insurance. It only provides discounts on a variety of your dental needs. It's a special program offered by Southern Dentistry that helps individuals and their families save on dental care. Not all dental services are covered. The plan covers regular cleanings (Type I on the Healthy Gums Program). If more than a regular cleaning is needed, such as periodontal treatment (Type II – V on the Healthy Gums Program), the patient is responsible for the cost which is 25% off regular office fees.

This is a 6 month contract. After 6 months, your Wellness Plan Benefits must be renewed or your respective plan membership will be automatically terminated.

The office fee schedule is subject to change. The 25% off includes all treatment cost, but does not include special prices on bleaching, snore appliances, or any other special offer price. Also not included are retail items such as power toothbrushes, Clinpro toothpaste, MI Paste, etc., and cosmetic lab fees that may be applied for the use of specialty cosmetic labs. If you are referred to a specialist, you are subject to their fee schedule.

I have read the terms and conditions and I understand them to the full extent. I have been given the opportunity to ask questions. By signing below, I agree to the 6 month Optimum Dental Wellness Plan.
